The Granite State Children's Alliance (GSCA), the Chapter Organization for the network of NH Child Advocacy Centers, is excited to receive the support of Rivier University, to further support our critically important initiative - KNOW & TELL through education and training.

KNOW & TELL is a public responsibility movement to educate all NH adults to KNOW the signs of abuse and TELL responsible authorities when they recognize them. At the completion of training, each participant will:

- ✓ KNOW the signs of child abuse
- ✓ LIMIT the barriers to reporting child abuse
- ✓ RESPOND to disclosure/outcry of abuse
- ✓ TELL in response to mandated reporting laws and policies
- ✓ PARTNER with your local Child Advocacy Center
